

CURRICULUM

nato a Torremaggiore il 6 Settembre 1950, sposato, due figli

- 1975 (26 marzo): Laurea in Medicina e Chirurgia col massimo dei voti, discutendo una tesi sperimentale sugli effetti centrali della clonidina (prof. P. Preziosi)
- 1975: **incarico di Medico Interno Universitario con Compiti Assistenziali (Cattedra di Nefrologia, II Facoltà di Napoli)**
- 1977 : specializzazione in Nefrologia Medica (II Facoltà di Medicina di Napoli), 70/70 e lode
- 1980 (1 agosto) : **inquadramento nel ruolo dei ricercatori universitari, per il raggruppamento 60 (Clinica Medica Generale e Terapia Medica)**
- 1983 : idoneità a primario di Nefrologia
- 1986 → 1987 "full time research fellow" presso la Renal Unit del **Guy's Hospital di Londra**, diretta dal professor J.S. Cameron: periodo dedicato alla diagnostica nelle biopsie renali ed al follow-up nel trapianto renale
- 1992 :**Professore di II fascia di Nefrologia**
- 1991-2016: **Direttore della Cattedra di Nefrologia;**
- 1992- 2016: **Direttore della Scuola di Specializzazione in Nefrologia;**
- 1992-2016: **Direttore della Unità operativa di Nefrologia, Policlinico di Catanzaro;**
- 1992: Titolare del corso ufficiale di Malattie del Rene e delle Vie Urinarie
- 1992: Titolare degli insegnamenti di Nefrologia e Nefrologia pediatrica presso le Scuole di Specializzazione in Medicina Interna, Urologia e Pediatria dell'Università di Catanzaro
- 1996: Responsabile Commissione Scuole di Specializzazione della Facoltà
- 2000: Eletto nel **Consiglio Direttivo della Società Italiana di Nefrologia**
- 2000: **Professore ordinario di Nefrologia** (vincitore concorso indetto dalla Università di Brescia)
- *Coordinatore* Cofin MIUR 2001
- 1992-2016 : Titolare di Nefrologia nel corso di laurea magistrale in Medicina e Chirurgia
- 2003: Coordinatore Nazionale Cofin 2003
- 2004: Membro Comm. Didattica della Facoltà
- 2005-2011: Coordinatore Scuole di Specializzazione; Commissione Alta formazione
- 2015-2017: **Presidente Sezione Regionale Società Italiana di Nefologia**
- 2011-2016: **Presidente Corso di Laurea in Medicina e Chirurgia**

INCARICHI EDITORIALI:

1. 1999: (dal) Editorial board del Giornale Ufficiale della Società Italiana di Nefrologia
2. 2003⊕(dal) Editorial board del Journal of Nephrology
3. 2002 ⊕(dal) Peer reviewer per Nephrology Dialysis Transplant
4. 2003: (dal) Peer Reviewer per Am J Kidney Disease
5. 2005: (dal) Peer Reviewer per *Nephron*
6. 2006: (dal) Peer Reviewer per *Atherosclerosis*
7. 2005: (dal) Peer Reviewer per Transplantation International

8. 2010: Peer reviewer per J Diabetes Investigation
9. 2003: Autore Linee Guida sulle Glomerulonefriti della Società Italiana di Nefrologia
10. 2003: Coordinatore Nazionale Generale delle Linee Guida della Società Italiana di Nefrologia
11. 2005: (dal) Editor Sezione Istopatologia GIN

ATTIVITA' CLINICA

PRINCIPALI SETTORI DI SPECIFICA COMPETENZA CLINICA

1. Nefrologia

- a. Clinica e terapia delle alterazioni del metabolismo idroelettrolitico e dell'equilibrio acido-base
- b. Istopatologia renale (esecuzione ed interpretazione delle biopsie renali su reni nativi e trapiantati: eseguite e refertate oltre 600 biopsie)
- c. Glomerulonefriti e Vasculiti e Nefropatie Vascolari
- d. Insufficienza Renale Acuta

2. Terapia conservativa e dialitica della insufficienza renale acuta e cronica

ATTIVITA' CLINICO-ORGANIZZATIVA

1975-1990: Università Federico II:

1. Centro sperimentale di micropuntura renale (con il prof. A. Dal Canton)
2. Servizio di istopatologia ed immunoistopatologia renale, a fini assistenziali e di ricerca
3. Servizio di dialisi peritoneale
4. Ambulatorio trapianti (reclutando, in 3 anni, 138 nuovi pazienti);

1991-2012: Università di Catanzaro, ha organizzato, dopo averne assunto la Direzione (nel 1991):

1. Reparto di degenza
2. Servizio di biopsie renali (con allestimento e diagnostica autonoma dei preparati)
3. Servizio di terapia nefrologica (conservativa e dialitica) nel paziente acuto (nelle Unità di Rianimazione ed UTIC)
4. Ambulatorio per il follow up dei pazienti trapiantati,
5. Ambulatorio clinico-metabolico per la calcolosi renale
6. Ambulatorio per i pazienti con insuff. renale cronica in terapia conservativa
7. Reparto dialisi per pazienti cronici
8. Unità nefrologica pazienti acuti
9. Dialisi Peritoneale
10. Servizio di aferesi terapeutica

Rapporti internazionali (promozione e scambio esperienze)

Università di Barcellona, per la diagnostica istopatologica nel trapianto renale (stage collaboratori: dr Comi)

Università di Nantes (per il follow up dei pazienti trapiantati di rene e rene+pancreas: stages collaboratori: dr Comi, dr Caglioti, dr Leone, dr Pelegrino)

Osp. Mauriziano di Torino (terapia della calcolosi: stage della dr Capria)

Osp. Vicenza (trattamento del paziente critico: stage del dr Mazza)

NIH, Bethesda (dr Esposito, attività di laboratorio)

Osp. Reg Margherita Torino (nefrologia pediatrica (stage dr Cianfrone, dr Mancuso)

Policlinico di Bari, Nefrologia: (dr Cianfrone, dialisi peritoneale)

Università di Homburg (Germania) (dr Lucisano, ecocene e statistica epidemiologica applicata)

PRIN FINANZIATI

- 1994. Insufficienza Renale
- 1995. Riserva funzionale nell'anziano
- 1996. Patogenesi della proteinuria nella nefropatia diabetica
- 2001. Anormalità Urinarie Asintomatiche
- 2002. Studio biomolecolare, farmacologico e clinico della insufficienza renale acuta e cronica
- 2004. Effetto del Kt/V sul rebound post-dialitico dell'urea
- 2006. Meccanismi molecolari della regolazione della trascrizione genica adducina-dipendente

ATTIVITA' SCIENTIFICA

COMUNICAZIONI E LEZIONI: Dal 1980, ha presentato **oltre 500 relazioni**, comunicazioni e lezioni su invito ai principali congressi nefrologici nazionali ed internazionali

PUBBLICAZIONI :

A. *trattatistica:*

1. *Teodori-Gentilini:* Trattato di Medicina Interna (capitoli su insufficienza renale acuta e trapianto renale)
2. *Balduini-Ascari:* Medicina Interna per problemi diagnostici: Insufficienza renale acuta
3. *Andreucci VE, Nefrologia: Insufficienza renale acuta, Vasculiti renali, Trapianto renale*
4. *Cambi:* Trattato Italiano di Dialisi- Terapia dialitica nell'insufficienza renale acuta; Aspetti nutrizionali dell'insufficienza renale acuta; Terapia conservativa nell'insufficienza renale acuta
5. *Tetta C.* Immunopharmacology of recent immunosuppressive drugs , Endothelial cells
6. *Accademia Nazionale di Medicina.* Controllo metabolico del diabete nel nefropatico. 2001
7. *Accademia Nazionale di Medicina.* Emergenze in Nefrologia. 2004
8. *Andreucci, Fuiano, Conte.* Nefrologia. 2004
9. *Gasb(1-35)arrini:* Medicina Interna, La nefrologia nelle malattie epatiche. 2009
10. *Pontremoli-Garibotto:* Manuale di Nefrologia, 2012

B. *Articoli*

> 200 articoli in lingua inglese, di cui 105 recensiti su PUBMED (della US National Library of Medicine) .

Impact factor totale: 355
